MOVER-BOX

Technical solutions which convince!

lifting eye

forklift pockets also suitable for pallet truck

stacked Mover-Boxes

fire protection strip

door with rubber seal and locking bar

Paint¹:

RAL 5010	Gentian blue	
RAL 7032	Pebble grey	
RAL 7035	Light grey	
RAL 9002	Grey white	
RAL 9010	Pure white	

¹ additional colours on request

Fire test:

Tests conducted by the Austrian Institute for Fire Protection Engineering and Safety Research have shown that any fire breaking out in a Mover-Box will extinguish within minutes provided the door is shut. The fitted fire protection strips prevent a spread of fire to other containers.

Dimensions (mm) and weights (kg):

Type	external			internal			weight	cap. (m³)
	length	width	height	length	width	height		
Mover-Box	2,200	1,600	2,445	2,040	1,510	2,120	450	7
