

Mattson Stevedoring - Your Agile Logistics Partner

FORWARDING, CONTAINER CARGO AND TRANSPORTATION

Complete Partner for Project Freights

Mattson Stevedoring is an agile one-stop partner who can streamline your logistics chain for projects of all sizes.

We have 30+ years of experience handling a multitude of import and export projects in Europe. Over the years we have built a strong partner network worldwide to help us serve our customers on time and with precision.

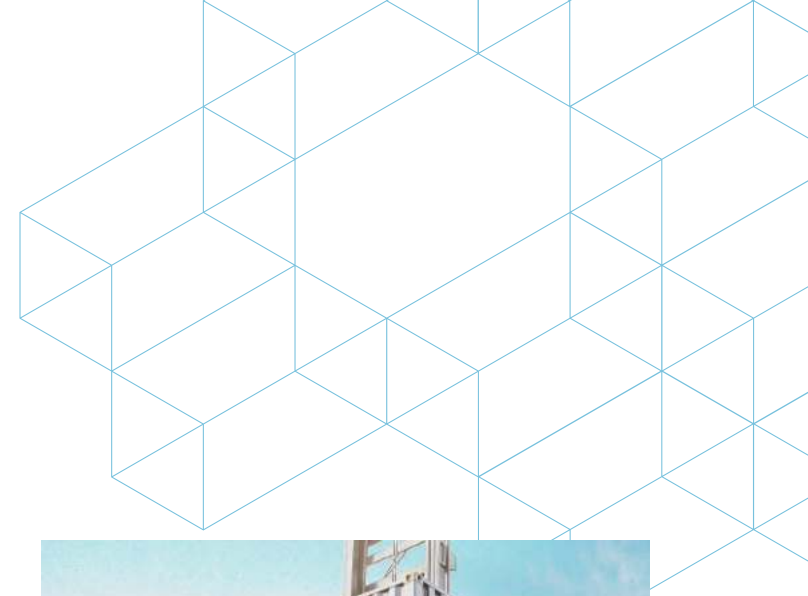

Our goal is to be there for you every step of the way and make your logistics projects simple and hassle-free.

Why We're the Perfect Partner for Your Business

A Truly Global Reach

Six European offices, 80+ international depots and a worldwide network of partners means we have a truly global reach. Wherever you are, we have you covered.

A Wide Variety of Services

From one-way leasing to cabotage containers and freight forwarding, we offer a wide variety of services. This includes a secure storage space for your goods in two locations in Finland.

Quick Response and Delivery Times

With quick response and delivery times, Mattson Stevedoring is able to partner up with you no matter where you are. Our experienced customer service staff replies to all queries within 24 hours.

Freight Forwarding

Forget about all the tedious paperwork and let us handle the whole forwarding process for you.

We thrive in demanding import and export projects where we get to harness the full potential and competence of our team and partner network.

Some of our freight forwarding services include:

- Export clearances
- Import declarations
- Tariffing
- CMR freight bills
- Use of TIR Carnet
- Compilation of Intrastat statistics
- Consultation in foreign trade projects

Transportation Services

Wherever You Are

With our global partner network we can arrange transportation by sea, road or railroad. Even airfreight and crane transport can be organized. We work with transport companies we know and trust to deliver our customers' cargo to destination effectively and reliably.

One-Way Service and Cabotage

Our efficient **One-Way container service** allows you to rent a CSC container from any of our 80+ depots around the world and return it to a completely different depot afterwards. This saves you both time, effort and money.

1. Cheaper shipping costs for SOC (shippers own container)
2. Good availability and variety of shipping containers
3. Easy to load and unload containers
4. No need to pay for the return of the empty container

We also offer containers for **cabotage** for our international business partners. With our cabotage services, you get a flexible solution to your container needs on domestic markets.

CSC Containers for Freight

We have a wide selection of shipping containers as well as reefer and tank containers perfect for international freight. We offer you fast and cost-effective delivery from one of our 80+ container depots around the world.

Shipping Containers

ISO standard with CSC plate for easy global transport and storage. Available in new and used condition both for sale and rental. Multiple different options including DC, HC, HCPW, OS, DD.

Size:  10'  20'  40'  45'

Reefer Containers

Temperature-controlled space from -40 °C up to +35 °C for storage and transport. Available with Thermo King, Daikin and Carrier machinery, in new and used condition both for sale and rental use.

Size:  10'  20'  40'  45'

Tank Containers

ISO standard tanks for all types of chemicals and food substances. Tank sizes between 22-26m³ with a steam heating system and insulation as standard. Swap body containers for higher volumes available in sizes 30-35m³. Available in new and used condition both for sale and rental.

Size:  20'  23'  24'

Our Services in the Baltic Sea Region

Those who do business in the Gulf of Bothnia and Gulf of Finland region are in for a treat since we offer stevedoring and various other useful services in Finland.

Packaging and Loading

We collect, pack and deliver your cargo safely anywhere you want in the world. Our container packaging and loading service adheres to the ISPM 15 standard, which has been approved by the Plant Production Inspection Center of Finland.

Depot and Warehouse Services

We offer a secure storage space for both empty and full containers in two different locations in Finland. We have our own equipment to transfer containers within the depot areas.

Repair, Maintenance and Modification

We are the only official Thermo King and Carrier dealer and warranty repair in Finland. Our service covers the entire Finland in multiple locations. For other container models, we offer spare parts and high-quality repair and maintenance in Oulu and Vihti.

Oulu Depot

The MC Containers depot in Oulu, Finland, is conveniently located in the northern part of Gulf of Bothnia, close to all relevant means of transportation, including airfreight, sea, road and railroad.

Our 4500+ m² asphalted container depot and a 1000 m² hall with lifting doors ensures you a great variety of long and short-term storage for both bulk, pallet and container cargo.

We also offer services like loading/unloading of goods, and container repair, maintenance and washing in the Oulu depot.

Our state-of-the-art equipment, skilled personnel and wide selection of services make us an agile partner for your business endeavours in the North.

**Address: Poikkimaantie 4, 90400 Oulu, Finland
(Port of Oulu)**

Helsinki Depot

The MC Containers depot is located ca 40 minutes away from Port of Helsinki and is thereby close to all the relevant means of transportation, including airfreight, sea, road and railroad.

The asphalted container depot together with a 750 m² hall with lifting doors give you versatile opportunities for both long and short-term storage for bulk, pallet and container cargo.

Services such as loading/unloading of goods and container repair, maintenance and washing are also offered in the Vihti depot.

In addition to the central location of the depot, our wide selection of in-house services and professional staff make us the partner of choice for your business endeavours in the Baltic Sea region.

Address: Vinkkelitie 7, 03250 Vihti, Finland

Easy Ordering Process

This is how it works

STEP 1

Contact us and let us know more about your need.

Tel. **+49 40 3486 4277**

STEP 2
